this volume provides a comprehensive and accessible guide to the key facts ideas theories and thinking about enterprise and entrepreneurship this text considers their relationship to small businesses and discusses the methods that are taken to promote them outlining the importance of the small business sector and the activity of enterprise development the authors discuss the meaning of enterprise its perceived benefits and the cultural economic and political influences which affect the behaviour of individuals and groups they address the distinctive differences between small and large businesses and also consider business growth and corporate entrepreneurship a special feature is the section they devote to the reasons theories methods and results of governmental intervention to promote the development of enterprise

here peter johnson has put together a collection of his groundbreaking research now in one volume for the first time it will be of great interest to those in every area of business and economics

does an organization like a small business exist there are many different definitions for this term the american small business association sba defines a one member private business and an enterprise with more than one to 499 employees are small businesses a flea market vendor is not like a software design company with 400 employees it is obviously illogical to include all small businesses under this definition in some ways the sba itself acknowledges the omission of what constitutes a small business in this 29 page definition and these are actual numbers you think you don t need to know them when you grow your business

but i encourage you to read on according to a 2002 census report there are 22 million small businesses in operation if you take a closer look at this figure there are about 17 million small businesses without employees some businesses are simply the covers that accountants and lawyers have set up for tax breaks others are businesses that are unable or unwilling to scale up although there are no employees you can still set up a small business if you sell part time candles cleaning products or cosmetics and make a profit of several hundred dollars per year you quit a job at a company and the company hired you to work as an independent contract worker you are retired but still consulting in your field you open a stall at a local arts festival to sell home made handicrafts you buy and resell some things at a higher price to make a profit such as cars rental houses valuable collectibles you get a return on your investment there is no problem with this type of business they bring money to the owner so these activities are business not merely hobbies many business activities even help them lead a more comfortable life but these small businesses rarely hire more employees in many cases employers do not want to grow their business they only intend to earn enough money to live or earn extra income

this completely updated 7th edition provides the next wave of entrepreneurs and small business owners with a one stop resource of vital business information this highly successful book is unique in offering not just informed advice on how to start survive and succeed in business but also has extensive directories of all the contacts and addresses you ll ever need it will be an invaluable aid whether you are unsure how to go about market research preparing a business plan raising finance of legal requirements or if you simply need a database of names and addresses
